**DIAMOND PRODUCTS**

**\$659**

The diamond products 48975 C14 Electric hand saw has handles designed for optimal control. It has a tool free blade guard angle adjustment, lightweight magnesium blade guard, Externally accessible motor brushes and a standard water feed system with fine adjustable flow, Quick release coupling and durable hose. By going electric with a very powerful 120V/20A motor this saw can work off standard power but still provide the necessary power, comparable to a gas tool. 5" depth of cut.

Wet and dry cutting in one machine! Electric all-around wet cutter that minimizes the amount of water and slurry. With the optional Vac unit you can easily transform it into a dry cutter that generates minimal dust. Unlike other electric cutters, the blade rotates forward, cutting into the material efficiently with minimum effort. Vacuum Attachment available.

# M18 FUEL™ 1-1/2 IN. CORDLESS MAGNETIC DRILL

**\$600 OFF!**  
WAS \$1,779  
NOW \$1176.50

This Milwaukee magnetic drill has two high-capacity REDLITHIUM™ batteries that you can swap between the tool and charger for continuous power. It has a brushless POWERSTATE™ motor that lasts longer than traditional motors because there are fewer parts to wear. The Milwaukee magnetic drill machine uses REDLINK Plus to manage power and reduce overloads and overheating. It has an annular capacity of 1.5 inches for wide cuts. The stroke length of 5.75 inches cuts deeply through thick pieces. You can run it at either 400 or 690 RPM for fast work. The drill holds items in place with 2,000 pounds of force.

**WHAT A DEAL! \$99**
