

INNOVATIONS START SOMEWHERE...  
WILL YOU TRY IT EARLIER OR LATER?

### M12™ DRAIN SNAKE 2571-20

**Milwaukee M12 TRAPSSNAKE Toilet or Urinal Auger System**  
Two auger attachments for the Trapsnake. One attachment makes the M12 Trapsnake a toilet auger, and the other attachment makes it a urinal auger.

*The M12™ AIRSNAKE™ Drain Clearing Air Gun is the only cordless solution on the market that uses compressed air to flush away clogs and build up. Capable of instantly reaching clogs 50' out, the new tool is the ideal first line of defense to clear pipe walls without the hassle of removing drain covers and traps.*

**SWITCH PACK Drums:**  
Interchange and connect various cable drums up to 100'

*M18 Drums  
various cable drum sets*

**SWITCH PACK DRUMS M18**

*Built-In Backpack Straps: Easiest Transport*  
*Integrated Drum Brake: Electronically slows drum up to 5 times faster than competitor drum machines*  
*Electronic Foot Pedal With Non-Slip Grip: Maximum Durability*  
*Fully Enclosed Drum: Best Protection and Mess Containment.*
